TRESTLE BOARD

REGULAR BUSINESS:

WELCOME BACK - Our Worshipful Master, Brother Vance MacLeod would like to welcome all the Brothers back from their summer recess. He hopes you had an enjoyable summer and are looking forward to coming back to Lodge with lots of fresh ideas and enthusiasm for the coming year.

DUES - This is to remind you the dues for Keith Lodge are due and payable as of January 1st. 2014. If you have not yet paid your dues for the 2014 year, you are requested to attend to this matter immediately as all outstanding dues should be paid as quickly as possible. It is important that Keith Lodge receives all monies owed to them in dues to assist with our finances.

PRESENTATION OF MEDALS - We are both pleased and proud to inform the members that we will be making a presentation of Medals to three of our long standing brothers. Brothers who will be receiving medals are WB John Fraser; WB Vernon Rumley and WB Gunner Mason.

INFORMATION RE: FINANCE COMMITTEE AND TRUSTEES - This is to inform you A Special Meeting of the Finance Committee and the Trustees of Keith Lodge No. 23 was held on August 5, 2014. This meeting was held at the Lodge Hall and the following Brothers were present at this meeting: RWB Adrian Pearson, RWB Peter Lawton, WM Vance MacLeod, VWB Reg. Conrod, WB Aubrey Stewart, WB Spyro Kouyas, WB Norman Ferguson, Brother Brian Knight and RWB Richard Muise. The purpose of the meeting was to discuss the possibility of changing our present heating system from oil to gas. Although there were no definite decisions made at this time, there were many and varied ideas from those present WB Spyro Kouyas, owner of Sam's Restaurant & Lounge spoke of the fact that his establishment had experienced the change from oil to gas in his business and he outlined the procedures and costs to accommodate such a change. The Committee reviewed various energy systems including oil, gas, propane and heat pumps and it was felt that in order to make any changes in our current system would entail a huge capital investment in the equipment and in the overall building infrastructure, i.e. the insulation of the building should be upgraded, etc. There was some thought as to whether the Lodge should concentrate on the maintenance of the existing system, rather than doing a complete change in the heating system.

It is expected further discussion on this matter will be forthcoming at our September meeting. All members are requested to try to attend our September meeting so they can present any ideas they might consider feasible. Remember, it is YOUR Lodge and your ideas are important to the membership.
