### An Almost true story:

A little before Lodge is about to open an old man totters up to the Tyler and says, "I'm here to receive my 2nd degree. Well, they all look at this guy, who really is older than dirt, and they ask him to explain.

"I was entered on July 4, 1962. Now I'm ready for my 2nd degree."

So they go scurrying for the records, and sure enough, there was his name, entered on July 4, 1962. "Where have you been all these years? What took you so long to be ready for your 2nd?" they ask.

He replied: "***I was learning to subdue my passions!***"
