September Song

For it's a long, long time, from May to November;

But the days grow short when they reach September

and the autumn winds turn the leaves to flame,

but we haven't time for the waiting game.

So these precious days I'll spend with you.

These precious days I'll spend with you.

"September Song" was a movie playing in Saint John in the early 50's when my girl friend Frances and I were playing the waiting game. It starred David Cotten and Joan Fontaine.

I'm using this as a filler but it is most appropriate because, after sixty (60) years, it is a different kind of waiting game.
