TRESTLEBOARD. Greetings Companions

The MEHP has called for a practise for Sunday, May, 10th 2015 at 5pm

Regular Business & Education

Installation of Officers not installed

HRA degree will be conferred at our June meeting

St John's Chapter also received two awards at the Annual Meeting in Truro and our High Priest and Ex. Scribe were presented with them with our members of our Chapter

The MEHP would like the companions to think about trying to take another companion to the meeting who may not have a drive.

I would ask that all of the committees or individuals involved with the "Achievement award" continue with the programme so that we can make an application at year end. A visit to another chapter, a social evening, education and good attendance are essential to meeting our goal.

REFRESHMENTS:

Sands: Terry Read and Hugh Palmer
Sweets: David Parker and Randy Hubley
Milk: Reg. Peyton
